Course										
Automotive Sheet Metal · Painting Course Start from October 2026 Capacity 5 persons										
Program Overview	Automotive body repair · painting is the process of restoring damaged vehicles to their former condition. In this five-month course, students will acquire the specialized knowledge and technical skills required to secure employment in the automotive repair industry.									
Period	Thursday, October 8, 2026 – Thursday, March 4, 2027 [5 months] Training hours: 9:30-15:40 [School holidays: Saturdays, Sundays, National holidays, etc.]									
Eligibility	Applicants must be registered for job seeking at Hello Work. Foreign nationals must hold a valid visa that permits employment in Japan. Language Requirement: Applicants must have a conversational level of Japanese and basic proficiency in reading and writing Hiragana. Individuals with little to no professional experience in this field are welcome. Applicants must be highly motivated to work and aim for professional independence. *To take the training course, you will need course taking instructions, course taking recommendation or course taking support from Hello Work.									
Course Fee	The course fee is free. However, you will need to pay for personal items such as protective equipment and accident insurance (approximately 10,000 yen).
